8.* MOTION (Hon. Julius Korir)

THAT, aware that electrification and gas reticulation and energy regulation has been devolved under part II of the fourth schedule of the Constitution of Kenya, 2010; further aware that Tiroto is geographically situated along the Embu and Merigi border; also aware that the place is situated at the highest altitude appropriate to generate both wind and solar energy that shall greatly benefit the residents in Kongotik Sub location and its environs for domestic and commercial gains; this County Assembly urges the County Executive Committee to initiate the process of generating energy in the said area.

(Resumption of debate interrupted in the morning at 9.00 a.m)

9. MOTION (Hon. Aurelia Chepkirui)

THAT aware that one of the functions devolved under Part 2 of the fourth schedule of the Constitution of Kenya 2010 is that of outdoor advertising, also aware that there is no legislation currently regulating outdoor advertising and signage in Bomet County; deeply concerned that lack of such legislation will make it difficult to regulate outdoor advertising and signage in our county; this County assembly urges the County Executive Committee to come up with an outdoor advertising and Signage Policy within three months to regulate such activities in our County.
