THAT, aware agriculture is a devolved function under Part 2 of the fourth schedule of the Constitution of Kenya 2010, also aware that crop husbandry is one of those functions, further aware that there is a lot of under-utilized land within Bomet County which suits sisal farming; deeply concerned that such lands will continue to be under-utilized if drought resistant crops such as sisal farming is not encouraged; this County Assembly urges the county executive committee to encourage sisal farming in the County.
