The company realised a loss of Ksh. 936,759 during the year. The directors do not recommend the payment of a dividend for the year.

**DIRECTORS**

The directors who held office during the year and to the date of this report were as listed on page 1.

**AUDITORS**

The Auditor General, Kenya National Audit Office continue in office in accordance with section 159(2) of the Companies Act (Cap.486)

**CHEMOSIT WATER AND SANITATION COMPANY LIMITED**  
**Statement of Directors' Responsibilities**  
**For the Year Ended 30th June 2012**

The Companies Act requires the Directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Company as at the end of the financial year and of its operating results. It also requires the Directors to ensure that the Company keeps proper accounting records that disclose, with reasonable accuracy, the financial position of the company. They are also responsible for safeguarding the assets of the company.

The Directors accept responsibility for the annual financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgement and estimates, in conformity with International Financial Reporting Standards and the requirements of the Companies Act. The Directors are of the opinion that the financial statements give a true and fair view of the state of the financial affairs of the Company and of its operating results. The directors further accept responsibility for the maintenance of accounting records that may be relied upon in the preparation of financial statements, as well as adequate systems of internal control.

Nothing has come to the attention of the Directors to indicate that the company will not remain a going concern for at least twelve months from the date of this statement.

## KENYA NATIONAL AUDIT OFFICE

### REPORT OF THE AUDITOR-GENERAL ON CHEMOSIT WATER AND SANITATION COMPANY LIMITED FOR THE YEAR ENDED 30 JUNE 2012

#### REPORT ON THE FINANCIAL STATEMENTS

I have audited the accompanying financial statements of Chemosit Water and Sanitation Company Limited set out on pages 4 to 13, which comprise the statement of financial position as at 30 June 2012, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 14 of the Public Audit Act, 2003. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 13 of the Public Audit Act, 2003.

#### Auditor-General's Responsibility

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 15(2) of the Public Audit Act, 2003 and submit the audit report in compliance with Article 229(7) of the Constitution of Kenya. The audit was conducted in accordance with

International Standards on Auditing. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

### **Basis for Qualified Opinion**

#### **1. Trade and Other Receivables**

As previously reported, the trade and other receivables balance of Kshs.64,325,181 as at 30 June 2012 includes long outstanding receivables totalling Kshs.31,421,989 inherited from the Ministry of Water and Irrigation whose recoverability is doubtful. Although the recovery of the long outstanding debts appears uncertain, no provision for bad and doubtful debts has been made against these particular debts in the financial statements.

Consequently, the accuracy and full recoverability of the trade and other receivables balance of Kshs.64,325,181 as at 30 June 2012 could not be confirmed.

#### **2. Agency Account**

The agency current account in respect of Lake Victoria South Water Services Board as maintained by the Company had a balance of Kshs.13,617,750 as at 30 June 2012. However, records maintained by the Board against the same account and as at the same date showed a balance of Kshs.16,209,254. The difference of Kshs.2,591,504 between the two sets of records had not been

reconciled or explained. Consequently the accuracy of the agency account balance of Kshs.13,617,750 as at 30 June 2012 could not be confirmed.

### **3. Unaccounted For Water (UFW)**

During the year under review, the Company produced 3,335,000 cubic meters ( $m^3$ ) of water. However, and out of this volume, only 1,113,586  $m^3$  was billed to customers. The balance of 2,221,414 $m^3$  or approximately 67% of the total volume, represented Unaccounted for Water (UFW) which is 42% over and above the allowable loss of 25% in accordance with the Water Services Regulatory Board guidelines. The UFW of 67% may have resulted in loss of sales estimated at Kshs.99,192,471. The significant level of UFW may negatively impact on the Company's profitability and its long term sustainability.

### **4. Share Capital**

The Company share capital of Kshs.100,000 divided into 5,000 shares of kshs.20 each issued to Kipsigis County Council (777), Liten Town Council (881), Londiani Town Council (419), Kipkelion Town Council (333), Bureti County Council (872), Bomet County Council (651), Sotik Town Council (580) and Bomet Municipal Council (487) had not been paid as at 30 June 2012. In the circumstances, it has not been possible to confirm whether or not the Local Authorities are desirous of having the Company achieve its objectives as outlined in the Memorandum and Articles of Association.

### **Qualified Opinion**

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects the financial position of the Company as at 30 June 2012, and of its financial performance and its cash flows for the year then ended, in accordance with International Financial Reporting Standards and comply with both the Companies Act Cap 486 and the Water Act,2002 of the Laws of Kenya.

### **REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS**

As required by the Kenya Companies Act, I report based on my audit, that:

- i. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit,
- ii. In my opinion, proper books of account have been kept by the Company, so far as appears from my examination of those books; and,

- iii. The Company's statement of financial position and statement of comprehensive income are in agreement with the books of account.

**CHEMOSIT WATER AND SANITATION COMPANY LIMITED**  
**Financial Statements**  
**For the Year Ended 30th June 2012**

**Accounting Policies**

The Principal accounting policies adopted in the preparation of these financial statements are set out below:-

a) **Basis of preparation**

The financial statements are prepared in accordance with and comply with International Financial Reporting Standard (IFRS). The financial statements are presented in Kenya Shillings (Ksh) rounded to the nearest thousand and prepared under the historical cost convention.

b) **Revenue Recognition**

Revenue is recognized when products are supplied to and accepted by customers and are stated net of VAT and discounts.

c) **Translation of foreign currencies**

Transactions in foreign currencies during the year are converted into Kenya Shillings at rates ruling at the transaction dates. Assets and liabilities at the balance sheet date that are expressed in foreign currencies are translated into Kenya Shillings at rates ruling at profit and loss account in the year in which they arise.

d) **Property, plant and equipment**

All property, plant and equipment is initially recorded at cost and subsequently stated at historical cost less depreciation

Depreciation is calculated on the reducing balance basis to write down the cost of each assets to its residual value over its estimated useful life as follows:

|                        |        |
|------------------------|--------|
| Buildings              | 10%    |
| Office Equipment       | 12.50% |
| Computer Equipment     | 30%    |
| Furniture and Fittings | 12.50% |

Property, plant and equipment are periodically reviewed for impairment. Where the carrying amount of an asset is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount.

**CHEMOSIT WATER AND SANITATION COMPANY LIMITED**  
**Financial Statements**  
**For the Year Ended 30th June 2012**

**e) Inventories**

Inventories are stated at the lower of cost and net realizable value. Cost is determined by the first-in, first-out (FIFO) method. Net realisable value is the estimate of the selling price in the ordinary course of business, less the cost of completion and selling expenses.

**f) Trade receivables**

Trade receivables are carried at invoice amount less provision for impairment of these receivables. A provision for impairment of trade receivable is established when there is objective evidence that the company will not be able to collect all the amounts due according to the original terms of receivables. The amount of the provision is the difference between the carrying amount and the recoverable amount, being the present value of expected cash flows, discounted at the market rate of interest for similar borrowers.

**g) Employee entitlements**

The estimated monetary liability for employees' accrued annual leave entitlement are balance sheet date is recognized as an expense accrual.

**h) Taxation**

Current taxation is to be provided for on the basis of the results for the year, adjusted in accordance with the tax legislation.

**Deferred tax**

Deferred tax is provided, using the liability method, for all temporary difference arising between the tax bases of assets and liabilities and their carrying values for financial reporting purposes. Tax rates enacted or substantively enacted at the balance sheet date are used to determine deferred tax.
