PROCEDURAL MOTION

Hon. P. Kirui (Leader of Majority, Ndanai/Abosi Ward, UDA): Mr. Speaker, THAT pursuant to Standing Order 28(4), this County Assembly resolves to alter its calendar to adjourn from today Wednesday 9th November, 2022 at 9.30 am to Wednesday 16th November, 2022 at 9.30 a.m in accordance with County Assembly calendar regular session for 2022.

Hon. Members, as we know, there has been a lot of business that has been going on, in particular the vetting of nominees, and we need time to have a retreat so that we go and write reports. I therefore urge Members to pass this Motion so that we can proceed to write the reports in the earliest time possible because of the pressure of work lying ahead of us.

I want to thank Members for the time and the commitment we have taken to ensure that we go as per the time lines of the calendar of this Assembly. I also wish to appreciate the cooperation that you have given us in this Assembly. You have really done a good job. We really work together to uphold the integrity of this Assembly.

For the time we have been in this Assembly, we have done the best in meeting the time lines. In this case therefore, I request that we pass this Motion.

I call upon Deputy Leader of Majority to second.

Hon. J. Samoei (Nyongores Ward, UDA): Mr. Speaker, thank you. I second the Motion.

Question proposed

Hon. R. Ruttoh (Chemaner Ward, UDA): Mr. Speaker, thank you very much. I take this opportunity to thank the Leader of Majority for tabling this Motion. Following series of activities which have taken place since the opening this plenary, I wish to support the Motion.

Our Committees have been busy in ensuring that what they are mandated to do is done to perfection. I therefore support this Motion because I know that the Committee on Vetting is preparing to Vet the COs and some other departments which are expected to be tabled in this Assembly. Therefore, giving them time to go and prepare is of important to us as Members of this County Assembly because, whatever we are going to approve in this Assembly needs proper scrutiny.

Moreover, this honourable Assembly has been having series of induction which has raised questions on their whereabouts. So, it will give time to interact with them.

Therefore, I support this Motion.

Thank you.

(Question put and agreed to)
