8. * MOTION (Hon. Leonard Kirui)

THAT, aware that Article 26 of the Constitution of Kenya provides that every person has the right to life; further aware that the fourth schedule of the Constitution gives mandate of health services including promotion of primary health care to the County Governments; also aware that the current statistics shows an increase in infection rates of HIV/AIDS within Bomet County; concerned that HIV/AIDS remains one of the life threatening diseases in Kenya and in the County; recognizing that there has been a lot of screening, testing, health education and interventions aimed at supporting persons living with HIV/AIDS through the provision of ART services; noting that treatment and care of HIV/AIDS patients has been a nightmare in this county as there are inadequate facilities to cater for the same, this County Assembly urges the County Government to set up Home based care including the establishment of a fund to provide for financial support to such patients in starting Income Generating Activities (I.C.G) to boost their nutrition in order to ameliorate the crisis)
