THAT, aware that trade development is a devolved function under part 2 of the fourth schedule of the Constitution of Kenya 2010; aware that Murany is a village endowed with public interest land totaling to about 30 acres; also aware that the PI was historically known by the name “Ngeny” which insinuated as a place used by locals to provide mineral supplement to their livestock; further aware that the land has remained idle and regularly a subject of encroachment; this County Assembly urges the County Executive to establish a brick making industry that shall see the youths get employment and also raise the economic standards for the county.
