8* MOTION (Hon. Julius Korir)

THAT, aware that the promotion of local tourism has been devolved under part II of the fourth schedule of the Constitution of Kenya, 2010; Further aware that section 29 of the Forest Act, 2005 provides that every local authority shall as far as reasonably practicable establish and maintain arboreta, mini-forests or recreational parks for the non-consumptive use of persons residing within its area of jurisdiction; also aware that section 45 of the Forest Act, 2005 provides for community participation in the conservation and management of state forest and local forest ; also further aware that Kipyosit Sub Location is situated along the Mau Forest belt that annually experience the arrival of large herd of elephants that graze along the belt; aware that their arrival provide an attractive scenery that fascinates the locals and school going children; also aware that this can be a source of tourist attraction both locally and internationally and in return shall be a source of revenue for the County Government as well as will help improve the living standards of the locals; this County Assembly therefore urges the County Executive Committee to establish a tourist attraction center in Kipyosit Sub location, along the Mau Forest belt within a period of two years.

(Resumption of debate interrupted on 8th June, 2016 at 2.30 p.m)

9.* MOTION (Hon. Julius Korir)

THAT, aware that electrification and gas reticulation and energy regulation has been devolved under part II of the fourth schedule of the Constitution of Kenya, 2010; further aware that Tiroto is geographically situated along the Embu and Merigi border; also aware that the place is situated at the highest altitude appropriate to generate both wind and solar energy that shall greatly benefit the residents in Kongotik Sub location and its environs for domestic and commercial gains; this County Assembly urges the County Executive Committee to initiate the process of generating energy in the said area.

*Denotes the Orders of the day
